SLAUGHTER OF THIBETANS IN CHINA

3000 Slain by Chinese to Avoid Uprising on Arrival of the Grand Lama

YUAN SHI KAI SENT FOR BY NATIONAL ASSEMBLY

Natives Disbelieve in Abdication—Movement for Monarchy is Under Way

SHANGHAI, Feb. 23.—The slaughter of three thousand Thibetans by Chinese troops is reported in advices received here. The military commanders feared the coming return of the Grand Lama would precipitate an uprising, and took drastic steps beforehand. Many women and children were massacred.

REPUBLICANS SEND ARMED ESCORT FOR YUAN SHI KAI

WASHINGTON, Feb. 23.—An armed escort has been dispatched from Shanghai to Peking to bring Yuan Shi Kai to the new capital at Nanking, to the national assembly now in session. This action was taken by the republicans because of the failure of Yuan to respond to an appeal for him to go to Nanking.

NATIVES DO NOT BELIEVE IN ABDICATION; ARE FIGHTING

WEI HAI WEI, Feb. 23.—The natives here do not credit the story of the Manchu abdication and are fighting the republicans, and a force of the latter are marching through the territory with two Maxim guns. The natives are too poor and feeble to resist very long.

FORMER REFORM GENERAL WORKING FOR MONARCHY

LONDON, Feb. 23.—Kang Yu Wei, former leader of the reform movement in China, is on his way to organize Hakka tribes in Manchuria to fight the Cantonese republicans, according to Tien Tsin. He will aid in an attempt to restore a constitutional monarchy. He will be assisted by the Manchurian viceroy, Gen. Chao Erh Hsun. A similar movement is being pushed by Princes Kung and Yu Lang.

WILSON BEST MAN IN RACE

So Says Senator Caminetti Who Boosts Favorite to Beat or Teddy

SACRAMENTO, Feb. 23.—"Woodrow Wilson is the strongest presidential candidate before the people, and in due time Theodore Bell will discover it," remarked State Senator Caminetti at the capitol today. "Those favoring Wilson say so openly, and their reasons are based on Wilson's record of legislation secured during one term as governor of New Jersey. They are not ostensibly booming one candidate and working for another. Wilson would defeat either Roosevelt or Taft."

SECRETARY OF STATE WARNS AGAINST FILING PETITIONS

SACRAMENTO, Feb. 23.—The secretary of state has issued a warning that it is illegal to file petitions in the presidential preference primary race until 6 o'clock a. m. on March 1. Both Wilson and Clark supporters are ready to issue blanks.

MARK SMITH OF ARIZONA WOULD BE VICE PRESIDENT

PHOENIX, Feb. 23.—The Democrats today made formal declaration that they will file a petition to make Mark Smith, Senator from Arizona, a candidate for the Democratic vice-presidential nomination. Prominent Democratic state leaders are here in conference.

DELEGATION IS DIVIDED BETWEEN CLARK AND WILSON

OKLAHOMA CITY, Feb. 23.—After wrangling all night in a hopeless attempt to send a solid delegation for either Champ Clark or Woodrow Wilson to the Democratic convention in Baltimore, Oklahoma Democrats today adopted a report dividing the state's delegates between them.

San Berdoo Has Record Day In Orange Show

SAN BERNARDINO, Feb. 23.—Eighty-three hundred paid admissions during this morning set a new record for the Orange show. It was announced that the Santa Fe's unique refrigerator train of citrus fruits will be taken to the Los Angeles Land Products show. Queen Viola was crowned tonight. West End and Corona day brought a big crowd to the National Orange Show. The Corona exhibit was entirely rearranged during the night. There were hundreds of the Corona visitors. The surrounding cities are racing for the Chamber of Commerce cup for the city registering the most visitors at the show. Redlands and Riverside are leading, but others are close competitors.

French Cabinet May Be Reconstructed Soon
PARIS, Feb. 23.—It is reported that Premier Poincaré will resign soon, and that the ministry will be reconstructed, with Aristide Briand, possibly, as president of the council or cabinet.

Light Horse Harry Lee to Be Taken Home

SAVANNAH, Ga., Feb. 23.—The body of Light Horse Harry Lee, the Revolutionary hero, after nearly a hundred years in a quiet graveyard on Cumberland Island, is about to be removed to Lexington, Va., the old home of the Lee family, where it will be reinterred in the Lee tomb.

Knox and Party Off for Central America

KEY WEST, Feb. 23.—Secretary Knox and party today sailed on the cruiser Washington for the Central American republics.

Chinese Aviator's Narrow Escape From Death

OAKLAND, Feb. 23.—Tom Gunn, the San Francisco Chinese aviator, had a narrow escape from death at the meet here yesterday, when his biplane fell from a height of 150 feet and buried him beneath the wreckage.

FLOUR FROM NORTHWEST MILLS WILL BE PROBED

PORTLAND, Feb. 23.—Several secret service agents are collecting samples of bleached flour, manufactured in several of the Northwest mills during the last month, according to authentic information, leaked out today. They are planning prosecution under the pure food law. It is rumored similar investigations are progressing in every flour manufacturing state.

EIGHT KILLED IN McALESTER, OKLA., MINE EXPLOSION

McALESTER, Okla., Feb. 23.—A complete search of mine No. 5, of the Wichita Mining Company at Lehigh shows that only eight men were killed in yesterday's explosion and fire. One hundred and seventy-five miners were working when the explosion occurred. Chester Caldwell, a young engineer, warned them and all escaped but ten. One of these was rescued alive, and eight dead bodies have been recovered, leaving one missing.

KILBANE IS LIGHT-WEIGHT CHAMPION—WHIPS ABE ATTELL

LOS ANGELES, Feb. 23.—Abe Attehl, for eleven years world's featherweight champion, was yesterday defeated by Johnnie Kilbane in a twenty-round fight in the Vernon arena, before what is said to have been the biggest crowd ever witnessing a ring contest in Southern California.

The Man They Admired

Several senate clerks and stenographers were gossiping in the capitol building the other day, telling reminiscences of statesmen past and present, when Senator Cummins of Iowa passed them. "Ah, there's the best of all of them," one remarked. "Right you are," asserted another. "Foraker was great, but in some respects, this man even surpasses him." "I doubt if the old building ever forgets his memory," sighed a third. "Wonderful in debate!" was the fourth man's contribution. "No man was ever his equal in the hullabaloo of a hot fight on the floor." A stranger had listened to the praises, following Senator Cummins with his eyes as long as he could. "Who is he?" he asked easily. "Some famous orator? The country's leading statesman, perhaps? A political genius?" "Genius nothing!" grunted one of the stenographers. "Why that man's the slowest talker in the senate and the slowest to take in shorthand!"

DARROW CASE TO APPELLATE COURT

Judge Hutton Denies Transcript Plea Because of Higher Court Ruling

BELIEVES RIGHTS OF DARROW NOT PROTECTED

Rogers Will Test Matter—Double Dynamiting Probe in Progress

LOS ANGELES, Feb. 23.—Judge Hutton today denied the petition filed by Attorney Earl Rogers, counsel for Clarence Darrow, asking for the completed transcript of evidence taken by the grand jury indicting Darrow. He overruled the objections contained in the brief submitted by Rogers concerning the law governing the disposition of evidence.

The Darrow case went over, the date to be set next week. Judge Hutton indicated that he believed Darrow's rights had not been sufficiently protected, but because of a higher court ruling he was unable to decide in Darrow's favor. He therefore returned the denial, preferring to permit the matter to go before a higher court. Rogers will carry the transcript matter before the Appellate court on Monday.

Two separate grand jury investigations into angles of the McNamara case are in progress here. The federal grand jury, with Mr. and Mrs. J. H. Casey as witnesses, is probing chiefly into the alleged intimidation of federal witnesses and other angles of the alleged nationwide dynamite conspiracy and the county grand jury is investigating into the alleged connection of certain California labor leaders with the plot to dynamite the Los Angeles newspaper plant.

The county grand jury witnesses will include Attorney John R. Harrington of Chicago, who was in charge of the gathering of evidence in the McNamara case. Harrington was summoned to Los Angeles by a federal subpoena. On his arrival following a conference with Prosecutor Lawler, he was served with a subpoena to appear before the county probers.

Mrs. Casey is said to be an important witness, having been in the confidence of Anton Johansson and other labor leaders accused of complicity in the dynamiting cases. It is said she has given information that will warrant a second prosecution of Bert H. Connors.

CLOSE SHAVE FOR COLLEGE

Santa Ana High all But Trimmed the Collegians Yesterday Afternoon

It was only by the skin of its teeth that the Pomona College baseball team yesterday defeated the Santa Ana High School baseball team. The score was 3 to 2 in favor of the collegians.

Had Santa Ana been a wee mite stronger on batting, the game would have gone to Santa Ana. There were times when any kind of a hit would have done the work, but Santa Ana could not get them.

In the field, on the diamond, in the box and behind the bat Santa Ana played exceptionally well. In the first inning Ball made a beautiful throw from right field to third base. Barker out-pitched the college man, and the score-keeper showed Barker with fifteen strikeouts-out to fourteen for Becker of the college. Pomona got five hits off Barker, and then three were taken off Becker. The ninth inning was exciting. Southpaw Becker for the collegians walked two men and hit a third with a ball in the ninth. With the bases filled and no outs he hit another man and thus shoved a Santa Ana home, making the score 3 to 2. A Santa Ana batter went out by a pop fly, another by a pop foul, and the third out was a strike-out, ending the game.

WANTS BRIDGES AND A FREE STRIP

State Commission Asks Supervisors for a Resolution Making Guarantee

COUNTY IS WAITING FOR STATE ACTION

Communication Explains Need of Statement of the County's Position

The State Highway Commission has applied to the Board of Supervisors for a resolution guaranteeing that the county will furnish the commission with a free right-of-way for the state highway through this county and guaranteeing that the county will build all bridges needed.

The communication will be presented to the supervisors at its next meeting. There is every reason to believe that the resolution will be forthcoming, for the county already has the right-of-way in the main county road that runs through the county.

The general understanding is that the state will improve the through road from Los Angeles to San Diego, passing through this county. Action toward getting a good roads issue in this county is withheld until the state commission takes some definite action to what roads will be improved by the state and a full assurance that they will be improved. It is the plan of the County Highway Commission and Board of Supervisors to then proceed with calling an election for good roads bonds in this county.

The communication to the supervisors from the state commission follows:

"A number of counties of the state through their representatives, among whom were many supervisors, have voluntarily offered to provide free rights-of-way and to build all bridges necessary for such state highway or highways as may be located within their respective limits.

"It is apparent that the bond issue of \$18,000,000 is inadequate for the great work projected, and the commission believes that each county which may be benefited by the routing of the state highway system through its territory will be ready to its part in making the state highway undertaking an unqualified success.

"The commission considers it to be the proper time, while surveys are being ordered and estimates prepared, to have official action taken indicating the disposition of the several counties in this behalf, and it is desired to have offers of free rights-of-way and bridges by the counties embodied in formal resolutions by their governing boards.

"Accordingly, the commission requests your honorable board to consider this important matter at once and trust that you will adopt a resolution agreeing to furnish to the State of California free rights-of-way and to build necessary bridges for such state highway or highways as may be located in your county.

"After you have taken action, please transmit to the commission a certified copy of your resolution.

"Very respectfully,
"California Highway Commission,
"W. R. Ellis, Sec'y."

LEUT. GEN. MILES FOUND BROTHER STRICKEN IN PARK

WASHINGTON, Feb. 23.—A trick of fate brought Lieutenant General Nelson A. Miles, U. S. A., retired, to the scene of his dying brother, Daniel C. Miles, as he lay gasping out his breath on a gravel walk in Lafayette Park here last night.

The general was passing in his automobile when he saw a pedestrian rumple in a heap on the pathway. General Miles sprang from his machine and, on pushing through the crowd, found the stricken man was his brother. Daniel Miles died while his brother was carrying him to his automobile.

Method in Madness

Pat Sullivan was a soldier and a good fellow, but in the opinion of officers and men alike he was certainly suffering from some brain affliction, and when on duty or at drill he would suddenly break from his ranks and run after an imaginary bit of paper, visible to no one but himself, shouting as he did so: "There it goes! There's the paper!"

This at length became so frequent an occurrence that, on the matter being brought before the medical authorities, he was declared to be suffering from a slight attack of insanity, and in consequence he was given his discharge. When leaving, however, he gave evident proof that there was some method in his madness, for he cried, flourishing his discharge paper: "Faith, boys, sure I've got the piece of paper I've been running after this long time!"

OROZCO SAID TO HAVE DESERTED HIS CHIEF

Now Advancing on Juarez---U. S. Hears Alarming Reports From Col. Steever; Seizure of Guggenheim Smelter

WASHINGTON, Feb. 23.—General Pasqual Orozco, President Madero's chief lieutenant during the first revolution, has deserted Madero, and is now leading fourteen hundred men into Juarez, according to a report to the war department from Col. Steever, commanding the American troops in Texas. The situation in northern Mexico is critical, and Col. Steever says dissatisfaction and the revolution are spreading daily.

While the reports of Orozco's defection are unofficial, they are believed to be authentic because of Orozco's disappointment over the appointment of Abraham Gonzalez as military dictator of Chihuahua, a position Orozco coveted. Orozco's familiarity with Juarez topography, and Madero's plans, make the fall of Juarez almost certain, if he has really deserted his former chief as reported.

The way for possible American intervention was opened today by the rebels' seizure of the Guggenheim smelters at Arasco, state of Durango. It is believed official action will result when the seizure is called to the state department's attention.

Salazar and Orozco are reported as nearing Juarez.

GRAND STAND WRECKED—TENNIS TOURNAMENT PUT OFF

Gales Were Climax of Big Storm That Raged on Sea Coast of Atlantic

SAN PEDRO, Feb. 23.—Submarines A-3 and A-5, after battling for four hours with a thirty-mile gale, returned to port at 1:30 o'clock this afternoon, unable to progress against the wind storm.

Submarines A-3 and A-5 left for San Diego at 8 o'clock this morning, and were later reported to have encountered a thirty-mile gale six miles down the coast. They were conveyed by the ship Fortuna. Some anxiety was felt among sea experts, which was later justified by the boats' return.

30-Mile Wind in Angel City

LOS ANGELES, Feb. 23.—A thirty-mile wind is causing slight damage to trees and wires in Los Angeles. It is the heaviest wind of the season. Forecaster Wollaber says the gale is an overflow of a desert storm in Arizona, and will not affect rain conditions. He also said that the prospects for rain are bad.

EDWARD T. COOKE OF LOS ANGELES TRIES TO END OWN LIFE

LOS ANGELES, Feb. 23.—Edward T. Cook, secretary and auditor of the Huntington Land & Improvement Co., prominent realty dealer and clubman, and father of a devoted family of four children, attempted to end his life last night at his home at 2749 Raymond avenue, in the University district.

A note found in the inside of his garments giving as his reasons for attempted suicide, certain acts of his own in his business relations. It is said the man has been mentally unbalanced for some months and it is believed the crimes referred to are imaginary.

KING IS NOT FUGITIVE

VIENNA, Feb. 23.—The story telegraphed from Cettigne that King Nicholas had fled because of a military revolt is not true. The King is at St. Petersburg, where he went to carry out a visit to the Czar which had been arranged for some time ago.

The mutiny story is also denied.

NO "FRATS" IN MISSISSIPPI

JACKSON, Miss., Feb. 23.—Seconding the action of the state senate, the House of Representatives of the Mississippi legislature Wednesday adopted an "anti-frat" bill, which orders the abolishment of all Greek letter fraternities, sororities and secret organizations in education institutions supported in whole or in part by the state.

THREE SCORE AND TEN

"Mother" Dean Tenderly Honored by Old Neighbors on Seventieth Birthday

Mrs. J. C. Dean reached the age of seventy Wednesday and this event was quietly celebrated at the Dean home at 504 Cypress avenue.

A number of Los Angeles friends and former neighbors came down to spend the day and visit with her, bringing with them lunch baskets well filled with all kinds of good things to eat. These friends were the nearest neighbors to Mrs. Dean—or "Mother" Dean as she is more familiarly known by them—when she was living at Seventeenth and Tabor streets, Los Angeles, and where she spent five of the best years of her very active life. The years spent amongst these friends were years full of kindness and many loving ministrations to them and their families. And that is why they all dearly love "Mother" Dean and never forgot her birthday but always go each year wherever she lives to help her in its celebration.

Mrs. Harry Dean knowing these friends had never missed a birthday during the past ten years or more and believing that they would surely come, had the house tastefully decorated with ferns and roses. The visiting party came shortly after 11 and after first congratulations were soon busy getting the luncheon spread. As the guests were gathered round the table with the hostess, Mrs. E. B. Root made the speech of felicitation congratulating Mrs. Dean on her having arrived safely at the scriptural age of three score and ten and presented her with a very beautiful solid silver spoon decorated with oranges and bearing this inscription: "Tabor Street Neighbors, February 21, 1912." The birthday cake which was a fine example of the art of home baking was beautifully repaid in its coat of white surmounted by seventy pink candles. The birthday bouquet brought from Los Angeles was composed of ferns and fresas.

The afternoon was spent in pleasant conversation and a further cementing of those ties which bind these visiting ladies together and to their hostess. So delightfully was the day spent that the time to return to their homes arrived much too soon. As the guests were departing they wished Mrs. Dean many more fruitful years and it was said

MICHIGAN, MY MICHIGAN!

East Lake Park, Saturday, Feb. 24th (TOMORROW), an old fashioned, get acquainted all day basket picnic.

Rose Hartwick Thorpe, Michigan's most talented writer, author of "Curfew Shall Not Ring Tonight," will render some of her choicest writings.

D. W. Grandon, editor of the "Hillsdale Daily Standard," will be among the speakers.

This will be the biggest ever. I'll be there; will you be there? If not, why not?

to her as they bade her good-bye. "A life lovingly given out to others and for others is the only life that counts for much after all—and that is why we love you."

Among those present from Los Angeles were Mrs. Harry Seward, Mrs. John D. Clark, Mrs. G. M. Giffen, Mrs. Charles Lehman, Mrs. John H. Buchanan, Mrs. Mary E. Jasper and Mrs. E. B. Root.

Pleasant Party

A very enjoyable afternoon was spent at the home of Mildred and George Ramsey on North Main street Wednesday afternoon. Games and songs were enjoyed and dainty refreshments were served.

Those present, besides the hostesses, were Misses Ellen Ross, Ella Slocum, Margaret Lang, Helen Ramsey, Evelyn Ross, Geneva Lang.

The Iowa Picnic

Many Santa Anans revived old friendship and greeted old neighbors yesterday at the big Iowa State picnic which was held in Eastlake Park, Los Angeles, which was attended, it is estimated, by 50,000 people. It seems incredible that so many of the Hawkeyes could be gotten together in any one city on the Pacific coast, yet it is said that the figures given above are approximately correct.

Everyone attending from Santa Ana reports a glorious time, as the day was perfect, the addresses, including one by Mayor Alexander of Los Angeles, were excellent, the picnic dinners were just as good as picnic dinners always are, and above all the reunion of old friends was the joyous feature of the day.

A unique procedure was the registration of people born in Iowa before 1846. Among these were James F. Smith, Tustin, and James D. Moore, Orange.

Mission Lecture

The Home Mission Society of the United Presbyterian church held an entertaining meeting last evening in the church. Mrs. J. E. Kellogg, leader of this department, had charge of this meeting and was very fortunate in securing Mrs. Van Meter of Los Angeles to deliver her lecture on the "Appalachian Highlanders," the mountaineers of Kentucky, Tennessee and the Carolinas. Mrs. Van Meter is from Kentucky and has been in direct touch with these people. Her story is very interesting and well worth hearing. Isolation, poverty and want are also the causes of the deplorable condition of these people. They are of Scotch-Irish descent, and good blood flows through their veins. Their need of teachers and missionaries is great, and an appeal was made last night for help for these people of our own land. A good offering was received for this work.

Rebekah District Meet

The Rebekah district meeting of District No. 50, will be held in this city tomorrow, Feb. 24, under the auspices of the Sycamore Rebekah Lodge, No. 140. It will be an all day meeting commencing at 10:30 a. m. in the evening the regular meeting of the Sycamore Rebekah Lodge will be held and candidates initiated.

Orange Entertainment

By request, the Orange Grammar School entertainment will be repeated Saturday evening, Feb. 24, in the high school auditorium. Tickets are on sale at Dittmer's drug store.

This entertainment is of more than usual interest because the plays used are those written by Miss Blanche Shoemaker, history teacher of the Glendale Street School.

Teachers will be interested in learning that these ten plays are now in the hands of the Educational Publishing Company, and may soon be had by those who wish them.

At Mrs. Dryer's

The "Current Event" lectures of Mrs. Lou V. Chapin, to be given here under the auspices of the Ebell Society, were finally arranged for at a recent meeting of the executive board of the society, held at the home of Mrs. John L. Dryer. This lecture course promises to be an intellectual

treat and can be enjoyed by others than members of the Ebell. Other features of the meeting of the executive board were the presence of Ebell's president, Mrs. A. J. Crookshank, after an absence of several weeks in the South and Cuba, and the serving of dainty refreshments by Mrs. Dryer. Mrs. Crookshank was warmly welcomed by the ladies of the board.

Washington's Birthday

Washington school celebrated Washington's birthday yesterday between eleven and twelve o'clock. The following program was given in the Seventh grade room, which was brightly decorated with the stars and stripes and ferns:

Song, "My Own United States"—Fifth, Sixth and Seventh grades; essay, "Washington"—Clare Wilson of the Seventh grade; song, "Washington"—Mrs. Baker, Seventh grade; reading—Ross Dickens, Third grade; "Columbia, the Gem of the Ocean"—by the school; "Our Country"—First grade.

(Below is the song written by Mrs. Baker for the occasion).

Washington (Tune, America).

Father of our country,
We voice our love to thee,
Thy natal day,
Thou art our Nation's pride,
In freedom's cause we'll guide,
First in our hearts abide,
Both now and aye.

We chose thy name for school,
For we should learn thy rule,
To serve our State.
True citizens we'd be,
Friends of humanity,
Protect our liberty,
Ensure our fate.

Washington's God to thee,
Author of liberty,
We laud thy ways,
That thou didst thus provide
A man so true when tried,
Washington for our guide,
Accept our praise.

Reading—Frank Staunts, Third grade; song—"Stars and Stripes"—Third grade; "America"—the school. A rendering of patriotic music was done by a phonograph at the end of the program.

Brotherhood Dance

The Fraternal Brotherhood will entertain the public tonight with a masquerade dance. Not only will there be a variety of costumes to amuse and interest spectators and dancers as well, but good music will make dancing a joy. A general invitation is issued to the public.

Lusk Recital

Although a goodly number were present at this pleasant recital, on account of numerous other things in the various churches and clubs on last Wednesday evening, Mr. Lusk did not have his usual well-filled auditorium. The recital, however, was an artistic success and the only fault to be found was that the program was too short. Mr. Lusk's organ work was extremely gratifying and the audience showed their approval by insistent applause.

Mr. Lusk was assisted by William Augustus Benjamin, the tenor, recently from New York City, who is in charge of the Baptist choir. He has a clean, well-modulated tenor voice and sings with much expression and artistic taste. The old song "Silver Threads Among the Gold" was especially effective with male quartette chorus.

League Meeting

The regular meeting of the local chapter of the American Woman's League will be held at 2:30 p. m. Monday, Feb. 26, at the City Hall. All members are requested to be present.

NO REASON FOR IT

When Santa Ana Citizens Show the Way

There can be no just reason why any reader of this will continue to suffer the tortures of an aching back, the annoyance of urinary disorders, the dangers of serious kidney ills when relief is so near at hand and the most positive proof given that these ills can be cured. Read what a Santa Ana citizen says:

W. A. Irvine, 818 E. St., Santa Ana, Calif., says: "I am as firm a believer in Doan's Kidney Pills now as when I publicly vouched for their merits in March 1907. The praise I give Doan's Kidney Pills is duly warranted, as their use has brought me relief on a number of occasions from backache, and sharp pains through my loins. This medicine which was procured at Wheeler and Mateer's Drug Store, has also been helpful in other ways, relieving soreness through my kidneys and regulating the passages of the kidney secretions."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

QUEEN ESTHER CANTATA

A rare treat in the form of a Queen Esther Cantata will be presented to the people of Santa Ana, March 1 and 2, Friday and Saturday evenings at the Grand Opera House.

The cantata, made up of local talent, is under the management of the Christian Church C. E.

Remember the Time: March 1 and 2. The Place: Grand Opera House. Don't miss it.

Masquerade Ball

Friday night, Feb. 23, the Fraternal Brotherhood will give a masquerade ball at their hall on West Fourth street. Cash prizes will be given for the best sustained character, of both ladies and gentlemen. Come up and enjoy yourself. Good music, good floor and good time. Admission, 50c.

REFUSE ENDORSEMENT FOR CITY DIRECTORY

Orange Lad Cut Off His Thumb With Ax While Chopping Wood

Orange News: The board of directors of the Merchants and Manufacturers' Association was solicited to endorse the publication of a local directory by Los Angeles people today. The directors decided to refuse the endorsement on the ground that the present need of a directory is not urgent. The promoters of the scheme were undecided as to whether or not they would proceed without the endorsement, which the members of the association require before considering advertising.

Ernest Harms, the 11-year-old son of John Harms, of East Chapman avenue, severed his thumb with an axe yesterday afternoon. The boy was chopping wood at his home, when a stray stroke sent the axe blade across his left thumb. The member was cut through at the first joint.

THE LAST WORD ON COMFORT

Have You Heard About The Electric Pad?

These are its merits in a nut shell. It is an electrically heated warming pad, that takes the place of those leaky hot water bags, and the hot bricks that scorch the sheets and sometimes burn up the bedding.

It is automatic—you turn the switch and go to sleep—a thermostat shuts off the current when the temperature rises to the comfort limit.

It means ready relief from rheumatism, sciatics, neuralgia, and other aches and pains. It is quick comfort for cold feet. It is the Porch sleeper's friend.

Miss Pauline Jacobs Is Now at the Wheel

Over 500,000 Votes Were Counted Today for the Fourteen Popular Roll of Honor Candidates in the Register's Big Voting Contest—Big Special Vote Offer Closes One Week From Tomorrow Night.

This set of furniture is offered by the Horton-Spurgeon Furniture Co., and can be seen in their window. It consists of 8-foot extension table; 6 chairs, leather seated; buffet with plate glass mirror and satin-finish brass hardware. The furniture is of fumed oak and its value is \$85.00.

This beautiful E-M-F Touring Car, value \$1450.00, to be awarded the candidate in the Register's contest who receives the greatest number of votes.

Roll of Honor

	Votes
Miss Pauline Jacobs, 2216 North Broadway	204,045
Mrs. J. H. Harvey, Santa Ana	203,640
Miss Lula McKenzie, Santa Ana	192,615
Mrs. Sam Preble, Santa Ana	185,185
Mrs. C. C. Ramsey, Santa Ana	138,895
Miss Edith Stearns, Tustin	128,195
Mrs. Louise Berneike, Santa Ana	124,330
Mrs. J. Leslie Swope, Anaheim	120,900
Miss Mildred Curtis, Santa Ana	114,475
Mrs. G. W. Mayes, 1135 West Third St.	111,340
Mrs. N. E. Todd, Santa Ana	109,780
Miss Helen Davis, Garden Grove	104,980
Miss Itasca Craig, Westminster	103,290
Miss Lillian Yeager, Santa Ana	81,470

Miss McKenzie in third position with over 192,000 votes to her credit. Miss Edith Stearns of Tustin was another strong poller and advanced the numbers opposite her name over 128,000 votes. Miss Stearns is a steady worker, and never lets a day go by without getting her share. Mrs. G. W. Mayes cast over 111,000 votes and is now over the 111,000 mark. Mrs. Louise Berneike added 12,330 votes to her total. Mrs. N. E. Todd, Miss Mildred Curtis, Miss Lillian Yeager, Mrs. J. Leslie Swope, as well as all the other ROLL OF HONOR candidates have increased their vote totals, and the race is now at fever heat. New leaders are coming in every day and no one can tell who will be the next surprise. It is the heaviest voting contest ever conducted in this county, and just where the votes will end is bewildering.

Over a half million votes poured into the contest department in the last couple of days in an unbroken stream. It seemed as though the candidates were going to explode with wild enthusiasm. Each strained every effort to eclipse the lead of the other, and many votes that candidates had treasured and expected to poll on the last day were forced into the ballot box. It is the result of the excitement that the big contest is causing. Everywhere, on every street corner, and public highway, in hundreds of homes and where the town topics are always discussed, out in the remotest districts of the county, the big Register automobile contest is the real topic of conversation. Candidates wherever they go hear of someone close by talking Register contest. They hear someone say: "I wonder who is going to win," or "Miss or Mrs. So and So is going to win."

More than likely the name she heard picked as the winner was some other than her own. So they simply could not stand the suspense of keeping their friends and the public in the dark any longer, and they all broke loose at once and emptied over a half million votes in the ballot box yesterday.

Miss Pauline Jacobs sprung the biggest surprise since the opening of the contest. Miss Jacobs cast over 204,000 votes and now has a grand total of 204,045.

Mrs. J. H. Harvey polled a heavy vote also, over 203,000, and is only 400 votes behind Miss Jacobs. Miss Lula McKenzie cast the next greatest number of votes, which was 192,615. This heavy increase places

Pretty, New Spring Dresses

We Can Fit All Sizes, Children, Intermediates, Juniors and Misses.

Junior Sizes

11-13-15-17-19 Yrs.

The new dresses for Intermediates and Juniors are cut on correct lines, shorter in the skirt and with larger waists. They are just the dresses you have been wanting to fit girls that have outgrown children's dresses and are too young to wear the longer misses' sizes.

Our new spring line embraces white dresses in lawns and batiste, beautifully made and trimmed with laces or embroidery. The styles are chic and refreshing, and designed just to suit girls of intermediate and junior age. Dainty white dresses cost from \$2.00 to \$10.00. Then we have colored dresses and percales, neatly trimmed in colors, made with the new short sleeve and low neck. They are priced from \$2.50 to \$5.00.

Misses Sizes

14-15-18 Years

Misses' dresses are cut differently and are one step between the junior and ladies' size. The skirts are longer, the waist shaped more than in the junior models but are still more slender than ladies' sizes. These dresses are cut just right for misses or small or slender women.

In these sizes, we have dainty new lawn and batiste dresses, cut in the chic spring styles at from \$2.00 up. Then we have a new line of linen dresses, trimmed in red or blue at \$5.00 and \$6.00. If it is a wash dress you want, we have them in misses' models at \$1.75 up, made of percales and ginghams. All of these dresses are carefully made and carefully finished. They are cut just right and fit perfectly.

New Peter Thompsons at \$12.50

Most of you know this dress—the best style ever made for all-around good service. We have just received some new PETER THOMPSON dresses made of a splendid wool serge in navy blue trimmed in cardinal braid. Both colors are true colors and the effect is delightfully pleasing. These dresses are designed with the popular yoke skirt, panel front and laced back, and with trim sailor collar and cardinal silk tie. They fit perfectly. Price only \$12.50.

Handsome New Spring Coats

We are just in receipt of the prettiest line of spring coats for Children and Misses we have ever shown. The Children's coats come in all sizes 2 to 6 years in pretty tan, cream and navy serges or diagonals with embroidered collars at \$4.50 and \$5.00. We show a new black satin coat at \$5.00 with a black or pale blue collar.

New coats for Juniors and Misses are here in handsome light woollens and diagonals. The Junior coats are \$5.00—\$6.00—\$7.50 and Misses sizes are \$10.00 and \$12.50.

Y. M. C. A. High School Night Proves Success

The newly organized Y.M.C.A. of Santa Ana held its weekly meeting Wednesday night, which on this occasion was called high school night, in the south parlor of the First Presbyterian church. The meeting was a decided success, and plainly showed the interest that is being created by this association among the young men and boys of the town. The first part of the program was assigned to Prof. J. R. Baker of the Commercial High School.

Prof. Baker had as his topic "How to Teach Next Sunday's Lesson to High School Boys." He ably and instructively explained the lesson, and in some very effective words pointed out methods which could be used in making the Bible lesson more attractive and hold the attention of the high school boy. Prof. Bartlett, principal of the high school, gave a very interesting and impressive talk on the relations between the Y.M.C.A. and the high school. He explained that the high school work and Y.M.C.A. work should go hand in hand, as they both have the same object in view—better young men, spiritually, morally and physically. Prof. Bartlett remarked that he was very glad to see some of the leaders in the high school leaders in the Y.M.C.A. work.

The second part of the evening's program was given over to an informal debate: "Resolved, That the employed young men of Santa Ana need the Y.M.C.A. and building more than the high school boys." The affirmative was supported by Lewis Gall, S. Shallenberger and Loren Mead, and the negative was taken by Charles Tidball, Emmet Ralf and Malcolm Tedford, with Carson Smith, Mr. Chapman and Mr. McClure acting as judges. Some very strong arguments were put up by both sides, and it was with some difficulty that the judges made the decision in favor of the high school boys.

Two of the most important arguments in favor of the high school boys were—first, that they have more leisure time after school than the employed young men have, and so, having no place to spend their evenings, are attracted to other surroundings which do much harm to the morals of the high school boy; and second, that the high school boy is in the most critical age of his life, the age when he is most easily led and most susceptible to temptation. Prof. V. R. Hughes, principal of the commercial high school, was called on to speak. He had considerable experience in Y.M.C.A. work at San Jose and he gave illustrations of what had been done in that town in a very short space of time. Everybody present thought that with the hearty co-operation of the community at large, Santa Ana could achieve much in this noble work.

The Y.M.C.A. in Santa Ana and it has come to stay, and every young business man and high school boy ought to put forth his utmost efforts towards attaining that which the Y.M.C.A. stands for—the spiritual, moral and physical uplifting of the boy and young man. The meeting was an inspiration to all present, and they felt that it would do lots of fellows in this town good to hear the valuable and interesting talks, such as were given on Wednesday night. The membership roll is steadily increasing, and several were admitted at this meeting, making a total of 135 members. It is the aim of the association to have 200 members by the first of April.

The revival meetings at the school-house are still in progress, and will continue indefinitely. Everybody is cordially invited to attend these services and enjoy and profit by the meetings.

J. Jamerson has his pretty bungalow almost completed. Mr. Inrrie is so well pleased with California that a number from Platt are coming out here next month to locate.

R. A. Stevenson attended a leap year party at the home of Mrs. Edith Wells in Santa Ana last Friday evening.

W. T. Hayhurst is making cement water pipe for irrigation purposes, and will have cement lined canals to run the water through from his artesian well. He intends to set his place to walnut trees this spring.

Mr. and Mrs. W. S. Babb and Mrs. T. S. Harlin made an automobile trip to the West Shore Gun Club Thursday, and with T. S. Harlin, who went down Wednesday, will enjoy a wild duck dinner. Returning by the way of Bay City, they will visit with Mr. and Mrs. J. Devenny. Miss Lucy Comer of Oklahoma City is visiting her aunt, Mrs. J. M. McKinzie.

ROOSEVELT'S SPEECH

It would be amusing, if it were not such a serious matter, to note the way reactionary newspapers handled Roosevelt's epoch-making Columbus speech. One such paper headed its report "Roosevelt Straddles the Recall Question." Another did not have a line about the speech. Another reported the speech fairly, but in the same issue had an editorial headed "Coming Taft's Way." In spite of the fact that straw ballots being taken by papers all around it, showing Roosevelt the favorite four to one, this paper claimed that "even in California the set of the tide is strongly towards Taft."

The Sacramento Bee, an independent newspaper of Democratic tendencies had an admirable editorial on the Roosevelt speech. It is headed "A Bold and Virile Speech by Roosevelt." We quote:

"A very remarkable address is that delivered by Theodore Roosevelt at Columbus, Ohio, today, and published in the news columns of the Bee. It is filled with the Roosevelt spirit of progress, and outspoken championship of the rights of the People. The Colonel declares himself strongly for direct legislation, in the form of the Initiative and the Referendum—not to destroy representative government but to correct it whenever it becomes misrepresentative."

"He says the Recall of Judges should be adopted only as a last resort, but yet his line of argument on this topic tends greatly to justify this means of getting bad judges off the bench. What he says of the judiciary, in fact, is the chief feature of the speech, and should be read with most careful attention. It sounds the true note in dealing with the subject, and he handles it without gloves."

"One particularly strong point Roosevelt makes is that when a judge or court decides a constitutional question—as to what The People can or cannot do in the way of law-making—"The People should have the right to recall the decision, if they think it wrong."

"The meaning is made plain that the courts should not be the final arbiters of the right to make laws; that the courts shall not set themselves up to be masters of The People."

"Popular power to recall a decision on a constitutional question involving the rights of The People is advocated by the Colonel in vigorous fashion, and he cites a recent decision by the New York Court of Appeals to illustrate his meaning. That court nullified an unconstitutional the Workmen's Compensation Act, and Roosevelt scores the decision as holding, in effect, that the Federal Constitution had permanently cursed our people with impotence to right wrong, and so perpetrated a cruel iniquity. He calls attention to the fact that in other states like compensation laws have been sustained by the Courts, and that the Supreme Court of the United States has declared constitutional a similar measure regarding railroad employees."

VERY TRUE, INDEED

In two editorials, which are to be commended for their brevity, as well as for their sapience, the Orange Daily News thus comments on the leading political issues, locally, of the coming campaign:

"Watching Riverside—Riverside county, with two candidates for the new seat in congress, is inviting an outsider to step in and take the prize. Cuttle and Evans, both strong men in the county, are contending for endorsement. San Diego has some favorite sons and San Bernardino as well and these will watch the River-

side situation with sympathetic interest.

"State Senator—It is reasonable to expect that the State Senator representing Riverside, Imperial and Orange counties will fall to Orange this year. With Riverside certain to be after the congressman, and with Imperial newly added to the district, Orange county appears to be right in line to furnish the man."

POWER OF THE PRESS

It is related of Col. Ingersoll that he picked up a Bible and asked, "What good did that ever do?" Whereupon a God-fearing woman replied, "It has kept Robert G. Ingersoll from being governor of Illinois." Senator La Follette announced on a recent Friday night that the newspapers had lost all their influence, and the next day his political friends with one accord acknowledged that his presidential campaign was hopeless. All the newspapers are not opposed to the senator; it was enough that he was opposed to all the newspapers. The influence that he said did not exist was enough, even latent, without formal expression to end his ambitions for the present.

Taking these facts as theme for thesis the Philadelphia Record says:

"Our esteemed contemporary, the North American, is certainly under none of the malign influences that the senator denounced. Its warning cries can be heard above the din of trolley cars and even above the chink of Wall street gold. The Chicago Tribune led in the organization of a league to defeat the president and put the tremendously progressive Wisconsin man in the White House. Mr. Hearst's newspapers shout warnings of chains and slavery into the public ears several times a day. Many other newspapers are as radical as La Follette. And yet, 'inbriated with the exuberance of his own verbosity,' as Beaconsfield once said of Gladstone, he made a silly attack upon the character of newspapers as a whole, and was promptly pulled off the course as hopeless by his backers."

"Newspapers are not always right, any more than senators. There are too many newspapers for them to be unanimous on anything. Every shade of thought and opinion and policy is represented in them. If their editorial pages are not influential, their news pages are widely read, and it was in their news pages that La Follette's foolish speech went to the country. His political friends did not deem it prudent to put the influence of the editorial pages to a test."

ARE MICROBES IN YOUR SCALP?

It Has Been Proved That Microbes Cause Baldness

Professor Unna of Hamburg, Germany, and Dr. Sabourand, the leading French dermatologist, discovered that a microbe causes baldness. Their theory has time and again been amply verified through research experiments carried on under the observation of eminent scientists. This microbe lodges in the sebaceous glands, which is the natural hair oil, and when permitted to flourish it destroys the hair follicles and in time the pores entirely close, and the scalp gradually takes on a shiny appearance. When this happens there is no hope of the growth of hair being revived.

We have a remedy which will, we honestly believe, remove dandruff, exterminate the microbe, promote good circulation in the scalp and around the hair roots, lighten and revitalize the hair roots, and overcome baldness, so long as there is any life left in the hair roots.

We back up this statement with our own personal guarantee that this remedy called Rexall "93" Hair Tonic will be supplied free of all cost to the user if it fails to do as we state.

It will frequently help to restore gray and faded hair to its original color, providing loss of color has been caused by disease; yet it is in no sense a dye. Rexall "93" Hair Tonic accomplishes these results by aiding in making every hair root, follicle, and pigment gland strong and active, and by stimulating a natural flow of coloring pigment throughout the hair cells.

We exact no obligations or promises—we simply ask you to give Rexall "93" Hair Tonic a thorough trial and if not satisfied tell us and we will refund the money you paid us for it. Two sizes, prices 50 cents and \$1.00. Remember, you can obtain it in Santa Ana only at our store—The Rexall Store, Wheeler and Mateer Drug Company, 104 West Fourth street.

CANCERS TUMORS

Owing to the many patients which we have under treatment at Santa Ana, the Radio Specialist of the Therapeutic Institute of Los Angeles has made arrangements to make regular visits at Rossmore Hotel on Tuesday of each week until further notice from 9 a. m. to 4 p. m.

Marvelous Cures are being effected in obscure and chronic diseases by simple, safe, and reliable methods that cure quickly without drugs or operation. No pain, no knife.

We give below names of a few of our many cured patients:

Mrs. Geo. Bredow, 1239 East Twenty-second street, Los Angeles, says: "Some years ago I had what the doctors called a fibroid tumor. They estimated that it would weigh at least thirty-five pounds. To my knowledge it had been growing for about five years. It caused me a great deal of suffering and anxiety. On September 4, 1902, I called on a physician in charge of the Therapeutic Institute, 946 South Broadway, for consultation and advice. He made a careful and thorough examination of my case and, to my surprise, said he could cure me without an operation. I took treatment from him for six months and in that time I was reduced to my normal size and completely cured. It has been now nearly nine years since I took the treatment, and I have never had any return of the trouble. I consider this wonderful, because the leading physicians and surgeons that examined me before all said the only thing to do would be to go to the hospital for an operation, and it would be doubtful if I would recover from the shock, owing to my weakened condition. I can say to the ladies of Los Angeles and vicinity that I feel that I owe my life to the treatment and can highly recommend it to the afflicted."

Lewis Williams, 2632 Loosmore street, well known retired business man, cured with two treatments, of cancerous growth on hand.

G. H. Farrar, 1525 East Fifty-first street, was cured in two months of a large cancerous tumor on left breast, from which he had suffered for four years.

Mrs. J. Brown, 219 1/2 North Olive street, cured of piles, after intense suffering for ten years.

We have on file hundreds of testimonials similar to the above. If you are afflicted and interested, you are invited to call and investigate.

We have successfully treated Cancers, Tumors, Goiters, Consumption, Asthma, Catarrh, Deafness, Weak Lungs, Chronic Cough, Rheumatism, Neuralgia, Piles, Fistula, all Skin and Blood Diseases, Paralysis, Locomotor Ataxia, Spinal Trouble, all Nervous Diseases, Prostatic Trouble, Diseases of the Kidney, Bladder, Nervous Debility. We give special attention to diseases of women. Our system of treatment cures without drugs. It gives you back the very element you have lost. It puts new life into the veins and renews health and vigor.

If you have failed to get relief from old-time methods of treatment, do not despair—there is still hope and help for you.

Every afflicted Man and Woman is invited to come and talk with us about his affliction and let us demonstrate free the means we have employed successfully in hundreds of other cases.

Consultation, Examination and Advice Free and Invited. Call at the hotel on the above date, or at our home office.

OPPORTUNITY!
Do you realize what it means? It is knocking at our doors. Shall we leave them closed?

Land investments in the Salt River Valley, Arizona, watered by the great Roosevelt Reservoir with a capacity of 1,300,000 acre feet. It is the largest dam in America, furnishing water for over 240,000 acres of splendid land, which if it did not rain a drop for three years, would be sufficient to irrigate this vast area. Are we going to take advantage of the opportunity of acquiring some of this land, while the prices are low, or as many of us have done in the past, in a little while say (when prices have become high), if we had done so and so see what we might have owned?

A great deal of this land is under cultivation, in alfalfa that will yield from seven to ten tons per acre, and at present prices one season's crop will nearly pay for the land. The soil is fine silt loam and the land is nearly level, just enough slope to make irrigation easy.

Alfalfa, wheat, barley, oats, corn of different varieties and sugar beets are the staple products of this valley.

Thousands of cattle are fattened here; also sheep and hogs.

Many kinds of fruits do well. Also all kinds of berries.

We have given you only a brief idea of this valley, and would be glad to have you talk it over with us. We have the agency for these lands and have taken it only on our personal investigations of the same; we can describe it so that you will find it just as we represent. We have no desire to encourage people to go away from this country, only that we might be able to help them to get what they want. The government will furnish water for 160 acres only to any one person. The water is ditched to all this land by the government, and is ready for use now. We surely think this better than wasting time on undeveloped arid desert lands, when you have water, several railroads, street car service, good towns, a splendid home market, near the capital of the state with its many advantages. And one of the very best sections of country we have ever been able to secure an agency for. This land is selling fast, and prices are bound to advance. If you are interested it would be well to investigate as soon as possible in order to get the best possible price. We encourage your investigation of our methods, and solicit your patronage.

Respectfully,

CAIN & DRAKE,
Agents for Chandler Ranch,

No person whose system is all run down can do anything to the best advantage.

Ninety-nine per cent of the ills known to mankind are due to clogged systems—systems in which the blood, liver and kidneys are not performing their proper functions.

Twin Gods of War and Melody

How do statesmen get themselves into the frame of mind to declare war? According to a popular German story the method in Bismarck's case in 1866 was one that would hardly be suspected. His subordinate Kendall was an expert pianist, and Sir Mountstuart Grant Duff put it, "used, it is said, to fulfill toward him the function which David fulfilled toward Saul." On one evening Bismarck was unusually moody and Kendall surpassed himself at the piano. "Thank you, my dear Kendall," said Bismarck finally, "you have soothed me and done me so much good; my mind is made up; we shall declare war against Austria."

OUTLOOK BRIGHT FOR FRUIT MEN THIS YEAR

More Markets Will be Open to
California Products Than
Ever Before

DEMAND INCREASING
IN EVERY DIRECTION

Frank B. McKevitt, of Fruit
Distributors, Talks of the
Eastern Situation

CASAFEMTO, Feb. 23.—Prospects are that the fruit grower of California will have many things to make him thankful by the end of the season of 1912, according to General Manager Frank B. McKevitt of the California Fruit Distributors, who has returned to Sacramento after an absence of more than a month, during which he visited most of the markets and fruit producing regions of the country.

A market of much greater breadth, less competition, more successful methods of fruit preservation, lower freight rates in some cases and a good crop of the some of the things McKevitt sees held out for the growers and shippers.

While East McKevitt made it his particular business to observe and investigate to get all the data possible on the chances for California fruit during 1912. He says:

"Texas does not promise a big crop for this year. The trees there are in

poor shape, particularly because of neglect and partially because they bore a heavy crop in 1910 and have not recovered.

"An expert told me that Georgia, which competes with our early peaches, will not ship more than 3000 or 4000 cars of fruit. Some of the growers are digging up their trees because it is more profitable to raise cotton. The great drawback in Georgia is the fact that all their peaches are Elbertas and come on at the same time, and they sometimes have two weeks' rain during the growing season, which hurts the fruit.

"The Northwest is not expected to have a heavy crop for the reason that they had an excessive production last year.

"I look forward to a good fruit season. Business conditions are good. While things have not been very active following the holidays, there is a strong undercurrent of confidence. The country is on a solid financial basis. The banks are full of money and prices are generally good.

"The demand for California fruit is increasing rapidly. Last year we opened at least fifty new markets for carload lots. Besides, many dealers in small cities are going to the auction for our fruit. In addition, rate reduction to the south will make it possible for us to place probably several hundred cars where we were not able to send fruit formerly. And many more small centers will be opened in 1912.

"The packing of grapes in sawdust has been a very successful venture. This opens a new market for several hundred cars of California grapes, though some educational work will be necessary to create the demand. The people are now taking the Almeria grape for winter. Growers must be careful to pack only their best grapes and encourage the trade.

"Rain is badly needed in California just now for the growing grain, but the fruit trees are in thriving condition and the buds are swelling rapidly. I do not fear for lack of rain so far as fruit is concerned. I can recall only one short year during the thirty-three years I have in the business."

PUTTING FINISHING TOUCHES ON BANK

Local Institution Will be in
Elegant New Quarters
Very Soon

The new trust building of the Orange County Savings Bank is rapidly receiving its finishing touches, and the close of the month will find this prosperous institution installed in its elegant new quarters and ready to do a "land office" business along all the lines for which it is now organized.

The magnificent front and interior of this building has created a large amount of favorable comment among strangers who have visited this city since the building had progressed to a place where the elegance of the finished building could be comprehended.

A New Six-Room Chalet Bungalow

By the Bungalowcraft Co.)
404 Chamber of Commerce, Los Angeles California

We illustrate herewith one of the prettiest and most convenient little bungalows that can be found in Los Angeles. The house is built on the following style.

The construction is of wood with outside walls covered with Redwood shakes and roof of Malthoid. The house is only 24 ft. by 46 ft. over all and its cost was \$1900. A wide porch extends across the entire house and opens through a heavy oak door with plate glass into a living room which is 23 ft. by 29 ft. finished with hardwood floors, beamed ceilings, large open fireplace with handsome mantel, a seat in the inglenook and handsome exposed stairway running up from the side. A buttressed opening with drop beam leads into the dining room which is of convenient size and has hardwood floor, paneled wainscoting and built-in buffet. The remaining room on this floor is the kitchen which is built in full cabinet style with cupboards, etc., conveniently at hand. A screen porch large enough to be used as a breakfast room opens from the rear of the kitchen.

Although the house is one and a half stories, the three bedrooms on the second floor have full square ceilings, the slant of the roof being taken up by the closets, of which there are no fewer than six on this order. There is a well fitted up bathroom and a large, conveniently located linen closet and taken all-in-all it would be difficult to design a more convenient or attractive home. The woodwork in the living room and the dining room is of slashed grain Oregon pine stained; the kitchen is painted and the woodwork in the bedrooms is enameled in light tints. The house is completely finished in hardwall plaster tinted and the walls in the kitchen and bathroom are enameled up to the plate rail so that they may be washed the same as tiling.

Complete plans and specifications for this house, either as shown or reversed, may be had for \$10 and any inquiries regarding bungalows or bungalow building addressed to the bungalow editor of this paper will receive prompt and detailed replies without charge whatever. If you are thinking of building a home some day send one dollar to this paper for a copy of "California Bungalow Homes," the most modern, practical and comprehensive book of the bungalow. It contains 128 richly illustrated folio pages of bungalows, inside and outside in their very latest developments. Costs run from \$500 up, full description and details are given and a fund of information worth many times the cost of the book to any home builder.

NEW BUILDING GOES UP SOON

Mrs. Doty to Move Photography Studio to Make Room for Builders

Within a short time work will commence on the erection of a fine two-story brick building at the Southwest corner of Sixth and Main streets. That this building would go up was announced a short time ago, when the West End Garage got a lease on the lower floor of the proposed building. Mrs. Doty, who owns a corrugated iron building on the property in which she conducts her photography business, has received notice to remove the building immediately. She is negotiating for a close-in location.

The new building will be one of the best of the winter. The syndicate that is to put it up is composed of enterprising men, interested in the best development of this city and the county.

During the last week a permit was issued for the erection of a fine \$3500 11-room residence on South Main street for M. V. Whitson.

This is another step in the up-building of that street, and the residence will be a fine addition to the street, which has built up rapidly in the last two years.

Carpenters are busy making improvements at E. B. Smith's jewelry store on Fourth street.

O. M. Robbins' fine new residence at the corner of F and Wellington is now well up, and shows that it will be one of the handsomest residences in that section where pretty homes abound.

IT IS wonderful how much satisfaction can be obtained from a talk over the Bell Telephone.

A letter carries words, but the Bell Service has been brought up to such a point of perfection that the modulations of the voice are clearly heard.

The cheery tones show that the talker is well and in good spirits. The call may come from a suburban village or a distant city, but within the limits of the carrying power of the voice the Bell Service carries the tone as well. You get a personal interview with a friend hundreds of miles away.

CATARRH CANNOT BE CURED with LOCAL APPLICATIONS, as they cannot reach the seat of the disease. Catarrh is a blood or constitutional disease, and in order to cure it you must take internal remedies. Hall's Catarrh Cure is taken internally, and acts directly on the blood and mucous surfaces. Hall's Catarrh Cure is not a quick medicine. It was prescribed by one of the best physicians in this country for years and is a regular prescription. It is composed of the best tonics known, combined with the best blood purifiers, acting directly on the mucous surfaces. The perfect combination of the two ingredients is what produces such wonderful results in curing catarrh. Send for testimonials free. F. J. CHENEY & CO., Props., Toledo, O. Nothing Succeeds Like Merkel Success

The Flying Merkel Stands Every Test

THIS GREAT MOTORCYCLE WINS TWO FIRST AND SECOND PRIZES IN YESTERDAY'S RACES

In the great 25-miles endurance race in which there were nearly half a score of starters, only three machines finished and two of the three were **FLYING MERKELS**, these two machines taking first and second prizes in this race. Dunham of Los Angeles rode this winning race in 26 minutes and 7 seconds.

"Won easily," is the way the sporting editor put it as to the **FLYING MERKEL'S** victory in the match race. The Merkel took both first and second places in this race. Bill Sill rode the machine that won first place and Barker rode the machine that came in second. Both made great time as the reports of the races will show.

KEECH AND DAVIS ARE LAW PARTNERS

A law partnership has been formed between Attorneys E. E. Keach and Samuel M. Davis, well known attorneys of this city. The new firm will be known as Keach & Davis.

Attorney Keach, who has been attorney for the Orange County Savings Bank since it entered upon its career of expansion, will move into and occupy a commodious suite of rooms on the second floor of the building and will assume direct charge of the bank and trust company's legal affairs.

During the past year, the large demand upon his time made by important litigation for the water companies has made it impossible for Mr. Keach to give his attention to the other lines of general practice in which he has been successfully engaged for many years; and, in order that he may accommodate all his old clients, as well as any new ones who may desire the benefit of his experience, he has formed a partnership with Samuel M. Davis of this city, who will occupy an adjoining suite of rooms, and the firm will engage in the general practice of their profession in the state and federal courts. Mr. Keach will still be the special counsel for the water companies and the bank and trust company in Southern California. He is a recognized authority on irrigation law.

Attorney Davis will change his office from the First National Bank building to the new bank building, and the new firm will begin business about March 1. Attorney Davis is well known over the county. He began practicing law in Minnesota in 1887, and came here in 1901. He served this county ably as district attorney, and while in that office he

CASCARETS CLEANSE LIVER AND BOWELS

No Biliousness, Headache, Sick, Sour Stomach, Indigestion, Coated Tongue or Constipation

Furred Tongue, Bad Taste, Indigestion, Sallow Skin and Miserable Headaches come from a torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a swill barrel. That's the first step to untold misery—indigestion, foul gases, bad breath, yellow skin, mental fears, everything that is horrible and nauseating. A Cascaret tonight will give you a thorough cleansing inside and straighten you out by morning. They work while you sleep—a 10-cent box from your druggist will keep you feeling good for months. Millions of men and women take a Cascaret now and then to keep their stomach, liver and bowels regulated, and never know a miserable moment. Don't forget the children—their little insides need a good, gentle cleansing, too.

Arizona Dates

I am on my way to Arizona, where I go to inspect the African date which I brought to this country through the aid of the agricultural department of Washington in 1889. The dates were obtained in Arabia, Egypt and countries along the Mediterranean. I have not seen these date trees since they were planted in 1890. The were rooted suckers and every year the planters down there send me a box or two of each year's product as a sample. The orchards having date trees are becoming more numerous every year, and it will not be long before we have all the dates that we can consume and will do away with the present importation. The date is suitable to Arizona.—Professor Van Dusen, in Sunday Oregonian.

BREAKS A COLD IN JUST A FEW HOURS

Says Quinine Isn't Effective in the Cure of Colds and Grippe

Nothing else that you can take will break your cold or end grippe so promptly as a dose of Pape's Cold Compound every two hours until three consecutive doses are taken. The most miserable headache, dullness, head and nose stuffed up, feverishness, sneezing, running of the nose, sore throat, mucous catarrhal discharges, soreness, stiffness, rheumatism pains and other distress begin to leave after the very first dose. Pape's Cold Compound is the result of three years' research at a cost of more than fifty thousands dollars, and contains no quinine, which we have conclusively demonstrated is not effective in the treatment of colds or grippe.

Take this harmless Compound as directed, with the knowledge that there is no other medicine made anywhere else in the world, which will cure your cold or end Grippe misery as promptly and without any other assistance or bad after-effects as a 25-cent package of Pape's Cold Compound, which any druggist in the world can supply.

NEWSPAPERS WERE HIRED IN OLD DAYS AT SO MUCH AN HOUR

A London newspaper, the Daily News, has unearthed an interesting document which goes back to the days of dear newspapers, when these papers were taken around to houses and hired for so many hours at so much an hour. Tucked away, it says, in the leaves of an old guidebook to the Crystal Palace, dated 1854, has been found a little printed leaflet, issued from Westerton's library and newspaper office, 20 St. George's place, Hyde Park Corner, making the following announcement:

"Can be had from the office by 8 o'clock in the morning, to keep at 10 cents per copy, or lent to read for three hours at 25 cents or two hours for 18 cents per week. It can also be supplied at 5 o'clock in the afternoon at the reduced price of 6 cents per copy or posted into the country at \$5 per quarter, payable in advance."

In those days the Daily News had been started only eight years under the original editorship of Charles Dickens and was still published at 10 cents per copy. Its editor at the time was William Weir, and Harriet Martineau, perhaps the first woman

HOW ASSOCIATION HELPS WITH JOBS

R. J. Hamilton, county secretary of the Y.M.C.A., has issued the following statement:

Were you ever without a position where you could earn your living and with no money in your pocket? If so you can appreciate the position of some of the men who are applying to the recently organized employment committee of the Y.M.C.A. of Santa Ana. If you were in a strange country, driven by a hard climate and poor health to a city where you didn't have a person who cared whether you succeeded or not in getting work, what would you do? This is a problem which the Y.M.C.A. employment committee is trying to help solve. But it requires the help and co-operation of the good people who have the chance to employ help. Do you need a ranch hand? If so, call up Main 53 or Home phone 59, and tell Mr. R. R. Smith or Mr. Smiley about it. They are the men who are acting as the employment committee of the Y.M.C.A. of Santa Ana. Women are also leaving their requests for work with them. They are located at 401 West Fourth street, and are willing to do all they can to help bring together those needing help and those looking for positions. They have been instrumental in placing a number of men already in good positions, and have a good sized list of others waiting for work.

A young man direct from Chicago, looking for work, was located within 48 hours after his arrival. A middle aged man who has been in hospital for a couple of months with a broken leg is now ready to leave and is seeking light work of suitable nature. Help locate him if you can.

Too Busy to Watch

"Clara," said a mother to her little three-year-old daughter, who had been spending the day with a neighboring playmate, "were you a good girl during your visit?"

"I don't know, mamma," replied Clara; "I just had so much fun that I forgot to pay any attention to myself."

Morocco Leather

The dyeing of native leather, for which Morocco has long been famous on account of the softness of its tone, its texture and its flexibility, continues to be practiced in Talet, Sus, Morocco City, Fez, Tetuan and Rabat, but artificial dyes are also being substituted in the modern process, supplementing the use of the secret vegetable ingredients formerly used to produce the inimitable tones of earlier times.

Still Flourishing

"Do you hold with certain pessimistic writers that all romance is dead?"

"I do not. So long as fat women continue to fall in love with human skeletons and ossified men with tattooed ladies, it seems to me that romance is still very much alive."

Decisive Defeat

The Orange Union High School girls' basketball team yesterday won the Southern California championship by defeating the Long Beach High School by a score of 17 to 9. This was the second game of the series for the championship. Orange won at Orange last Saturday by a 16 to 13 score. Yesterday's game was played at Long Beach.

The title of champion now belongs to the Orange girls. For the first time in five years it is taken away from Long Beach.

Orange went into the game with its team in fine physical trim, and coached to the minute by W. O. Hart, editor of the Orange News. The team is Misses Peterkin and Ensign, forwards; Park and Watson, centers; Kuechel and Hughes, guards, Miss Perkins, a Long Beach guard, was not in the game, owing to a sprained ankle. Orange undoubtedly would have won the game even had she been playing.

Long Beach had the best of the first half, which ended with a score of 8 to 5 in favor of Long Beach.

In the first half, the beach team was worn down by the aggressive work of the plucky girls from Orange. The quick passing and shifting play of the visitors put the Long Beach team into condition for easy scoring, and Orange went through the second half with the long end of a 12 to 1 score for that half, making the final score, Orange, 17; Long Beach, 9.

About forty enthusiastic rooters from Orange attended the game. That the Orange team clearly proved its superiority in the series is shown by the fact that in the two games Orange scored 33 points to 22 scored by Long Beach.

DRILLING WELLS NEAR THE CEMETERY

J. Mefford, the well driller, has put down four new wells near the Santa Ana cemetery, all with good results. He has just completed Huchheim Co's well, which is about 500 feet deep with a 24-inch pipe. This will be a good well with a big supply of water for its users. At present Mefford is making a well for Dr. Chas. Mueller south of the cemetery on which there is a good start. Mefford has three or four other engagements ahead of this one and will be kept as busy as a bee for some time to come.

HAVE FORMED WILSON CLUB

Fourteen Democrats Nucleus
for Booster Organization
for Their Choice

Local Minister Who is From
Missouri is Firm Believer
in Champ Clark

Fourteen Democrats, all untried, gathered at the law office of B. E. Tarver Wednesday evening and formed a Woodrow Wilson Club, the object of which is to boost in this vicinity Wilson's candidacy for the Democratic nomination for president. C. D. Overshiner was elected temporary president and B. E. Tarver temporary secretary. At a meeting to be held in the same place next Wednesday evening a permanent organization will be made. A special effort will be made to get the ladies interested in the club, and all those who favor Wilson's nomination are eligible to membership.

W. L. Duggan, who is chairman of the Democratic county central committee, was one of the prime movers in the gathering.

After the meeting adjourned a number of those present happened to meet Rev. Paul A. Wright, pastor of the First Christian church, and a good deal of good natured bantering took place. Rev. Wright, who is from Missouri, has to be shown that it is going to be or ought to be Wilson. Rev. Wright knows Champ Clark personally and believes he is the strongest of the Democratic candidates for the nomination.

MACHINES SPLIT HONORS AT MEET

Indian Got Two, Merkel Two
and Excelsior One of the
First Places

McTAGGERT GIVEN RATHER HASTY SPILL

Pomona Man Hit in the Back
When 'Belt on His Machine Broke

In the record of firsts in the motorcycle events pulled off at the Santa Ana race track yesterday afternoon, the Indian "4" grabbed two, the Flying Merkel a couple of firsts, and the Excelsior got in with one first.

Herbert Kittle, the professional rider, gave two five-mile exhibitions on his Flying Merkel, and they were sure some going. Kittle rode his machine the first heat in 4:52 2-5. In his second exhibition he bettered this by three seconds, making the first lap UP UP UP UP UP UP UP UP. five laps in 4:49 2-5.

Henrickson upheld his reputation as one of the best amateur riders in this section. He showed this in the first race. There were four machines beside the Indian, and before Henrickson had ridden eight miles he had lapped every machine, and at the finish was a lap and three-quarters in the lead.

Was All Excelsior

In the second event the Excelsior riders had practically everything their own way. Up until the eighth lap McTaggart on his Indian "7" was giving the Excelsior a good race, but in the eighth mile, rounding the south turn at the rate of sixty miles an hour, McTaggart took a spill, but was not seriously injured. Johns, the Excelsior, made for this race the time of 9 minutes, 59½ seconds.

The third event was an exhibition of five miles by Kittle on a Merkel; time, 4:52 2-5.

In the fourth event only one machine started, a Theme single.

Under a minute

Don Johns was the only one to try for the local track record, his time for the mile being 58 seconds flat. "Bill" Sill, on a 1910 model Merkel "6," won the sixth race easily, keeping ahead throughout. Barker, on a Merkel "6," got second place, and the Excelsior a poor third. Sill's time for the five laps was 5:45.

The seventh event was another exhibition by Kittle riding his Merkel. His time for this exhibition was 4:49 2-5.

The eighth event was a five mile race for four-horse power machines fully equipped. Henrickson, having no machine prepared for this race, picked one out of the several Indians that were there and rode it against an Excelsior, ridden by Roy Gallison. There was no time given for this race but Henrickson won easily.

The ninth and last race was a 25-mile free for all for any make of machine present. Don Johns on an Excelsior twin, had the race well in hand until the twentieth mile, when his engine froze. Lambert, on another Excelsior, was going good for half the distance, when he had trouble, and the Merkel "7," ridden by Dunham of Los Angeles, was first, his time being 26 minutes and 7 seconds for the twenty-five miles. Barker, also on a Merkel, took second place. Montgomery on an imported single got third. These were the only machines left in the race.

One Man Injured

Dave Pierle of Pomona was injured before the races yesterday afternoon while tuning up his machine. The belt on his Excelsior broke and hit him across the back, giving him a severe skin bruise besides cutting a gash about seven inches long. The injured man will be all right in a few days.

There were about thirty machines from Pomona present, and a like number from Los Angeles.

A fair sized crowd was in attendance.

GARDEN GROVE HENS CACKLING

One Man Buys Ninety Cases
of Eggs in One Day, Which
is Going Some

GARDEN GROVE, Feb. 23.—Ninety cases of eggs were bought of ranchers in this neighborhood, at Garden Grove by P. T. Martin on Tuesday of this week. That was a pretty good record for one day's purchase by one man, while the merchants received their share as well. Mrs. Percy Kenah of Fullerton, a Mr. Russell, who has recently purchased Mrs. Beckett's place, expects to set the entire place to orange trees. Mrs. Russell is lately from Tennessee.

There was a full house at the Menclay concert on Monday night, given by the Y.M.C.A. The program presented was well received by all present.

Roy McKeen has sold the house and lot south of the P. E. track, formerly the home of Chas. Cockrum, to W. T. Robinson, who has recently moved into town.

Mrs. Geo. Beardsley entertained her Sunday school class at luncheon today. It was served in cafeteria style. The class consists of fourteen primaries.

Mrs. Emma Burton of Colton is visiting at the home of S. Penfold. Dr. and Mrs. Prentice were visitors at Los Angeles yesterday.

Born to Mr. and Mrs. Southern, on Sunday, a son.

S. Horwitz was a visitor at Los Angeles yesterday.

W. D. Junkin is making some im-

provements on his residence.

Geo. Rolfe has rented the old primary school building to parties who are preparing to establish a moving picture show. The show people expect to have every thing in running order in about a week.

The T.A.C. will meet at the home of Mrs. A. L. Davis next Tuesday afternoon at 2:30.

A. O. Butler has returned from a business trip to Imperial Valley, where he was favorably impressed with the country.

Mrs. Percy Kenah of Fullerton, a former president of the Queen Esther Circle here, entertained members of the Y.M.C.A. band, on Friday evening of last week.

The W.C.T.U. held a very interesting meeting in the league room of the Methodist church on Wednesday afternoon. The topic was "Character Building." Mrs. F. H. McElree and Mrs. E. A. Cox of Santa Ana gave interesting talks to mothers.

Revival services will begin at the Methodist church on March 17. This early notice is given so those wishing to attend will not make other appointments for that time. Evangelist Arnold Hodgkin and wife are to conduct the meetings, so good preaching and attractive meetings are assured.

R. W. Elliott has just completed a new well drilling machine which will be put into service at once, as there is great demand for wells. Elliott has 24 wells now engaged.

L. G. Oliveras of Puente was here on Monday to purchase from the Kells nursery 400 Eureka lemon trees to be set out on his ranch.

All who wish to vote at the next school election, which takes place the first Friday in April should register by March 5. Mr. and Mrs. McElree are registration clerks.

NEW CHURCH COST \$20,000

Fullerton Religious Circles to
Have Fine Building Added
to Equipment

FULLERTON, Feb. 22.—Plans have been accepted for a new \$20,000 church, which will be erected at the present site of the old church at the corner of Pomona and Wilshire. The plans were drawn by Architect Fred Eley of Santa Ana, and submitted to the congregation last Sunday. A few changes have been made since then.

At the meeting last Sunday it was reported by the committee in charge that about \$14,000 had been raised at the present time, and they would continue the work of raising the rest of the money needed.

Building on the new church will not be commenced before a couple of months. At present the old church has not been disposed of.

This new church is to be one of the finest in the city. It will be of the classic style of architecture. The auditorium will seat about 500 people when the adjoining rooms are thrown open.

A LITTLE DANDERINE WILL MAKE YOUR HAIR LUSTROUS, SOFT, FLUFFY, ABUNDANT

Get a 25 Cent Bottle Now and
Forever Stop Falling Hair, Itching
Scalp and Dandruff

If you Wish to Double the Beauty
of your Hair in Ten Minutes surely
Try a Danderine Hair Cleanse

Your hair becomes light, wavy, fluffy, abundant and appears as soft, lustrous and beautiful as a young girl's after a Danderine hair cleanse. Just try this—moisten a cloth with a little Danderine and carefully draw it through your hair, taking one small strand at a time. This will cleanse the hair of dust, dirt and excessive oil and in just a few moments you have doubled the beauty of your hair.

A delightful surprise awaits particularly those who have been careless, whose hair has been neglected or is scraggy, faded, dry, brittle or thin. Besides beautifying the hair at once, Danderine dissolves every particle of dandruff; cleanses, purifies and invigorates the scalp, forever stopping itching and falling hair.

Try as you will, after one application of Danderine you cannot find any dandruff or a loose or falling hair, and your scalp will never itch, but what will please you most will be after a few weeks' use when you will actually see new hair—fine and downy at first—yes—but really new hair sprouting all over the scalp. Danderine makes the hair grow long, heavy and luxuriant and we can prove it. If you care for pretty, soft hair and lots of it surely get a 25 cent bottle of Knowlton's Danderine from any druggist or toilet counter, and just try it.

DANGEROUS DOG CAUSING TROUBLE

ANAHEIM, Feb. 22.—A telephone message from a lady northeast of town gave warning against a dog which was at large, and supposed to have the rabies. The dog is described as being a brown with a white nose and white collar. It is a cross between a spaniel and a collie. Dr. Crossen was called out to attend to it last night, but before he arrived the dog got loose and is at large. He had not eaten anything, but was drinking a lot of water.

Fullerton Notes

FULLERTON, Feb. 22.—Miss Ida Ashe, who has been visiting Bert Annin and family, left this morning for her home in St. Louis.

R. Young and wife left Tuesday for Fresno to make that their future home.

Mrs. N. M. Creveston left yesterday for Weleetka Junction, Okla., to live.

A. W. Daniels left yesterday morning for San Bernardino to attend the Orange Show.

The Misses Ninger of Santa Ana spent Sunday with Miss Florence Thomas.

E. Boegoe left yesterday for a ten days' stay at Fallbrook.

Owing to the severe sand storms around Etiwanda, Cucamonga and Uplands on Tuesday, all of the overland trains were dispatched through this city. In that section the sand is blown over the tracks, making it hazardous for trains to pass.

FULLERTON FAR FROM DEAD TOWN

FULLERTON, Feb. 22.—Objections against signs tacked to telephone poles advertising the undertaking business were laid before the board of trustees last Monday night, and the board was requested to have them removed. The objections were made by people who thought Fullerton should be known as a live town, and that undertaking signs displayed so prominently were apt to give strangers the opinion that this was a dead town. The board instructed the city marshal to see that all signs were removed where an objection raised by the property owners.

On the petition of Wm. French for the appointment of a night watchman, it was agreed by the board to appoint one providing the Chamber of Commerce agreed to pay half the expense. French and Coulter were appointed to confer with the Chamber of Commerce.

A meeting of the Highway Commission was also held, but no definite action in the appointment of an engineer was reached. There are a number of applicants being considered and it is thought that some action will be taken in the near future.

FEW CANDIDATES OUT FOR OFFICES

FULLERTON, Feb. 22.—The coming municipal election in April is not creating very much interest at present. In the coming week a number of candidates are expected to come out in the open, for they have only until March 8 to file their candidacies. There are two vacancies in the city council to be filled, as Trustees Hilscher and Coulter's terms expire this year. It is not expected that Mr. Hilscher will be a candidate for re-election, as he is away in New Mexico at present, on mining interests.

Other candidates at the April election will be the present incumbent, Mr. Collis, and in opposition to him will be Johnny Gardner, the blacksmith. It is supposed that City Clerk C. A. Giles will be a candidate for re-election, but no other man at present is out for the office.

The other positions in the city are all filled by appointment.

ORANGE SHIPMENTS BEING HELD BACK

FULLERTON, Feb. 22.—Since the 15th of February there have been 25 carloads of Oranges shipped from the local depot. Of this number seven cars were shipped by C. C. Chapman, the remaining eighteen cars being sent out by other packing houses. The shipments for this year are far below the shipments of last year, owing to poor markets in the East. Many frosted oranges have gone into the market and so have spoiled the market for good oranges. Last year a daily average for this time of the year was between eight and nine cars per day, but this year the average is between three and four cars. Only the oranges that have to be picked are being shipped now, while the rest are being held for better prices.

A carload of nursery stock was shipped by the Orange County Nurseries to Rialto on Tuesday.

HE WAS FINED \$100 FOR BEATING WIFE

ANAHEIM, Feb. 23.—Juan Cruz was taken into custody Tuesday night by Officer C. Sachett on the charge of disturbing the peace near his home east of this city. The telephone message came in about 6:15 p. m. from Manuel Morales, a neighbor. He reported that Cruz was drunk and had hit his wife and had been chasing his eight-year-old granddaughter about the place.

Wednesday morning he was before Justice Howard and although he denied everything he was placed in jail in default of \$100 fine levied upon him.

People who have taken our word for it that PARISIAN SAGE is the real hair grower, beautifier and dandruff cure have never been disappointed. Here's the word of a person who took our word:

"I have been using PARISIAN SAGE about a year. When I began to use it I had only a light 'fuzz' on my head. Now I have a good thick growth, and it is growing thicker and longer right along. Many people don't believe it can be done, but I know from my own experience with PARISIAN SAGE that it can; I recommend it in the fullest confidence."—Gaines Brown, 708 North Filmore St., Maryville, Mo.

and seashore resorts of Southern California.

Information and literature regarding the great Mt. Lowe trip, beach
resorts, and other points of interest from local agents, or, Passenger De-
partment, Room 230, Pacific Electric Building, Los Angeles, California.

HILL'S CORNER

We have made and sold since Jan. 1st more 4-inch
and 6-inch irrigation pipe than ever before during the
same length of time since we began making it, and
we are well prepared to "keep it up" during the sea-
son.

We are making all kinds of galvanized iron tanks
from five gallons to one thousand gallons and we are
prepared to furnish larger tanks at short notice.

ASK FOR PRICES.

We make to order all kinds of gates for wood or
cement ditches and stand-pipes; tapoons and tubes
for earth ditches. Most of these things are kept in
stock.

If there is anything you want that is made of gal-
vanized iron or that ought to be made of that material,
and if in looking around you don't see it

ASK FOR IT.

We have as many men at work in the Plumbing
and metal working trades as all the other shops in
Santa Ana.

PASTOR RUSSELL IN CALCUTTA.

Investigation of Missions in India in Progress.

Juggernaut and the Ganges Visited. Investigation Committee Go Next to Benares, Burning Ghats, Agra, Etc. Pastor Russell Addressed Large Audiences in Calcutta.

Calcutta, Feb. 18.—The foreign Missions Investigation Committee, appointed by the International Bible Students Association, is here. The Committee expedite their work by each member giving special attention to a different feature of the investigation. This is their third week in India and they have already traveled nearly two thousand miles. They are keenly interested in the heathen and in the Bible, but they declined to give in advance any hint of what their report will be as respects the missionary work here.

Pastor Russell, Chairman of the Committee, preached twice to-day to large and attentive audiences in our finest auditorium. One of his addresses, from Jeremiah ix, 23, 24, we report. He said:—

Your "City of Palaces" greatly impresses me, as doubtless it does all who visit it. But as I look at its splendor I am reminded of that portion of my text which declares, "Let him that glorieth glory in this, that he understandeth and knoweth Me, that I am the Lord, which exercise loving kindness, judgment and righteousness in the earth." Wherever we go we perceive that man, by virtue of his creation, is a worshipper.

I stopped enroute at Juggernaut; the very name called up the stories of my childhood which so greatly aroused my sympathies for the poor heathen. Missionary reports told of how in ignorance the natives would throw themselves before the great Car of Juggernaut, feeling it an honor to thus sacrifice their lives. And now, here am I on the Ganges river, of which in childhood I heard so much that thrilled my heart with sympathy—how mothers threw their babes into the Ganges, not because they had no sympathy with their offspring, but because they desired to sacrifice to and propitiate their gods.

"Now We Know In Part." Now that I am here I do thank God that, although the heathen have not been converted to a true knowledge of the great Jehovah, they have, nevertheless, come under the strong hand of the British Government, which, whatever its defects, seeks at least to protect its subjects from the extremes of their own ignorance and superstition.

St. Paul wrote, "Now we know in part, but then we shall know even as also we are known." (I Cor. xiii, 12) Alas! How every true Christian must realize how his own knowledge of God and that of his forefathers has so slightly exceeded the knowledge of the heathen, that he found it difficult to "glorify" in his understanding of God. Only those who are adherents to the declarations of the Bible that "God is Love," that His mercy endureth ever, that He is like a pitying father, that He is a God of All Grace, the Father of Mercies, whose loving kindness we cannot measure—only such have the assurance which enable them to offset the horrible theories of our creeds formulated in a darker past, and which told us more horrible things respecting our God and His treatment of mankind than our poor heathen brethren ever imagined.

But now the better day is dawning! We are seeing the glorious outlines of the Divine character in the Divine Plan as never before! Our hearts first led the way and rebelled against the dictum of our fallacious reasoning. And now, in God's due time, when nature is yielding up her secrets and chemistry is making the world anew, behold the key to the Divine Word is thrust into our hands, unlocking its mysteries and explaining its parabolic symbols to our astonished faith!

Knowing Our God. Our Redeemer declared, "This is life eternal, that they might know Thee, the only true and living God, and Jesus Christ, whom Thou hast sent." Evidently the great Teacher had in mind the thought of our text—not merely a knowledge about God, but an acquaintanceship with Him, such as can come only through a fellowship of spirit and an understanding of the Divine Program.

In our blindness of the past, assuming that all the non-elect would be punished to an eternity of torture, we published in our missionary reports that ninety thousand every day go down into death, into Christless graves—and, by inference, into eternal torture.

Now we read God's character in fairer lines. Now we perceive that for a thousand years, the Elect, on the heavenly plane, invisible to men, "like unto the angels," will live and reign with Christ (Rev. xx, 4) for the blessing of the non-elect—for their uplifting from conditions of sin and imperfection back to the glorious heights of the image of God in the flesh.

NOTICE TO VOTERS

The great register of Orange county, for the year 1912, as well as every other county in the state of California, is now being compiled. All voters who expect to participate in the general election, to be held on November 5, 1912, for the purpose of electing electors for president of the United States, and for certain state and county offices, must register on or before October 5. Registration closes for the presidential primary election April 13, for the state primary election August 3, and for the general election November 5. Elections for city offices in cities of the sixth class will be held April 8 and all voters who wish to vote at elections to be held in cities of the sixth class, which in this county include Anaheim, Fullerton, Orange, Huntington Beach, Newport Beach and Stanton, and whose names do not now appear on the register for the years 1910-1911, must register on or before March 5. All voters in the above named cities containing more than one voting precinct and who have moved from one precinct to another in said cities, must re-register at once.

THE BULLETIN FOR JANUARY

The California Development
Board Tells of Conditions in
This State

The Monthly Bulletin, published by the California Development Board, for January, 1912, follows:

This bulletin is based on special reports by reliable authorities in various counties covering nearly every section of the state.

Weather review and outlook has been prepared by request by Prof. Alexander G. McAuley, U. S. Weather Bureau, San Francisco:

"January was a month of pleasant weather in California; but without sufficient rainfall. Not more than half the usual amount has fallen, and at the close of the month the snow cover is smaller in area and of less depth than has been the case for several years at the same date. While the amount of precipitation has been light, it has fallen in such a way that there has been no waste. The one important storm of the month was on January 26th, with rainfall varying from more than three inches in the northern coast counties to one-tenth of an inch in the extreme south. There were several frost periods, but practically without damage to the oranges and lemons, owing to ample warnings and effective protective work. The temperatures, however, were not as low as occurred near the close of December.

"One interesting contrast of temperatures on the two sides of the continent occurred on January 14th. At Washington, D. C., the morning temperature was twelve degrees below zero. At Los Angeles the temperature was 64 degrees, and at San Francisco 48 degrees. While all the Eastern states from Maine to Georgia were below freezing throughout the day, unusually warm weather prevailed in California. In the San Francisco Bay section temperatures exceeded 60 degrees. In Southern California temperatures were as high as 86 degrees.

The sixteenth semi-annual committee meeting of the California Development Board, held in Los Angeles January 12th and 13th, brought more than 1000 delegates from various parts of the state. The subject of preparation for the great program of the next four years was discussed under the topics:

"The Opening of the Panama Canal."

"The Resulting Immigration."

"California-Panama Expositions."

The meeting brought forth enthusiastic expressions of the complete harmony between the northern and southern sections of the state.

Manager Robert Newton Lynch, with ex-Governor Jas. N. Gillett, will address the legislatures of seven Eastern states during the months of February and March in the interest of the Panama-Pacific Exposition Company.

It is confidently predicted that with the usual favorable conditions for the farmer and fruit grower, and with a good supply of water for irrigation partly assured, that the results for the year 1912 will surpass those of 1911 by a goodly percentage. From every quarter active preparation is reported as being made for more extended operations, and under improved conditions.

The delayed rains hindered plowing at the usual time. The acreage sown to wheat will show some decrease, while that for barley and oats will be an increase over 1911, if weather conditions are favorable.

The sugar beet acreage will be materially increased and several new factories will operate the coming season.

Cotton growing has become an established industry in California.

Six gins were operated in Imperial county in 1911, and more will be operated for the 20,000 acres of the 1912 crop. This year Kern county will have forty acres of Egyptian cotton and one gin to handle the crop. The acreage of alfalfa will be largely increased on account of ex-

Particularly the Ladies.

Not only pleasant and refreshing to the taste, but gently cleansing and sweetening to the system, Syrup of Figs and Elixir of Senna is particularly adapted to ladies and children, and beneficial in all cases in which a wholesome, strengthening and effective laxative should be used. It is perfectly safe at all times and dispels colds, headaches and the pains caused by indigestion and constipation so promptly and effectively that it is the one perfect family laxative which gives satisfaction to all and is recommended by millions of families who have used it and who have personal knowledge of its excellence.

Its wonderful popularity, however, has led unscrupulous dealers to offer imitations which act unsatisfactorily. Therefore, when buying, to get its beneficial effects, always note the full name of the Company—California Fig Syrup Co.—plainly printed on the front of every package of the genuine Syrup of Figs and Elixir of Senna.

For sale by all leading druggists. Price 50 cents per bottle.

The
Nightmare

I'll never eat another 'less it's made of-

Cottolene

"Such stuff as dreams are made of—" lard-cooked food. No wonder Willie has the nightmare—even the stomach of a grown-up will occasionally rebel at the havoc worked by lard-made indigestion.

Lard is made from hog fat. It is not always digestible, even at its best. Why then take chances with lard or imitations of Cottolene?

Cottolene contains not an ounce of hog-fat. It is a vegetable product—made from the choicest cotton oil, refined by our exclusive

process, packed in a cleanly way in patent, air-tight top pails, and protected from all dirt, dust and contamination.

If you want purer, more healthful food, and food which will not disturb you after you have eaten it, be sure that it is cooked in Cottolene.
